## **10<sup>th</sup> Anniversary**

### **since 2002**

*On April 1st 2002, NBRC Culture Collection (NBRC CC) was established in Kazusa, Japan, on the basis of the OECD policy recommendation for a core National Biological Resources Center of Japan. The NBRC CC also complies with the spirit of the CBD and the related protocols.*

*We appreciate all the businesses during this decade and also hope the continuous patronage in future.*

### **About 10th anniversary logo**

*This logo design represents Fungi, that is familiar with human life.*
